Key Principles for Smart Stock Investing

Co-Sponsored by the Million Dollar Dames Investment Club

Thursday, April 25
6:00 pm — 7:00 pm
Teens & Adults

Investing in stocks is exciting & rewarding & will help you achieve financial goals. You will learn basic terminology & fundamental concepts of investing in company stock. Find out how to recognize & evaluate industry leaders, determine when to buy a stock, how much to pay, & how to choose stocks for stability & long-term growth.

The heart of this presentation is an overview of the key criteria that BetterInvesting investors consider to identify & evaluate quality growth companies as long-term stock investments.

Call 580-581-3450 for more details.
