

NOTICE

**City of Lawton
Public Works Department
Street Division**

Dear Property Owner:

Due to an extensive backlog of repairs, your driveway repair may be delayed up to one year.

Because of this delay, the City of Lawton is offering you, as the property owner, an opportunity to seek an outside contractor of your choosing to perform the repair sooner. If you choose to seek an outside contractor, the City would reimburse you for the repair costs.

It is important to note the following if you wish to exercise this option:

1. The City will compare its estimated costs to complete the repair with the contractor's costs. The lowest rate of the two will be reimbursed.
2. The repair area will be limited to damages incurred during the utility repair and are at the sole discretion of the Street Division.
3. Property ownership verification required.
4. This notice is not authorization to begin any repairs nor does this notice obligate the City of Lawton in any way.

If you are interested in this opportunity, please obtain an estimate from your chosen contractor, and contact the Street Division.

Sincerely,
Cliff Haggemiller
Street & Traffic Control Superintendent
