

# Safety Requirements for Lawton Businesses

*The City of Lawton appreciates general managers working to combat COVID-19 by implementing the following requirements.*

- Additional signage for social distancing.
  - Signs are required at gas pumps, ATMs, and at retailers for "one cart, one person."
- Gas stations are to make sanitation wipes or paper towels available at pumps.
- Sneeze guards are required at all businesses with indoor points of transactions/cash registers.
- Spacing of 6 feet or more in lines of customers, both inside and outside of stores if applicable, shall be imposed and maintained by operating businesses.
- Store owners should implement markings and signage for one-way aisle travel.
- If carts are available, store owners shall encourage the use of carts for all shoppers to help with social distancing efforts.
- Sanitization wipes or sanitizer, as available, must be made available at all cash registers.
- Essential work and essential shopping for such workers is permitted en route; emergency travel is permitted during curfew. Curfew is 11 p.m. to 5 a.m. Essential workers should carry letters always.
- Employers must make face masks available to all employees beginning 4/23/2020.
- Employers are advised to set up a screening policy/process for staff prior to shifts beginning.
- Certain types of businesses, such as car dealerships, must abide by more stringent guidelines. *(Scan QR code for detailed information.)*

Signage and specific guidelines can be found at
