PRESS RELEASE

FOR IMMEDIATE RELEASE

LAWTON – As discussed at the 5/26/20 Lawton City Council meeting, applicable utility account holders will soon receive letters of instruction for available courses of action concerning the payment of delinquent bills incurred.

In mid-March, the City of Lawton suspended, via emergency proclamation, the disconnection of water services due to non-payment in light of the COVID-19 pandemic. With the expiration of this local proclamation, the Utility Services Division will resume disconnecting water services for non-payment after letters are mailed. Account holders may call 580.581.3308 and/or visit Lawton City Hall, 212 SW Ninth Street, to make payment arrangements as outlined in [the letter](#).

The letter also specifies assistance available through [the CARES Act Utility Assistance](#) program and provides instruction for applying for this assistance.

Effective 5/21/20, the City of Lawton adopted in full the State of the Oklahoma's 'OURS' Plan in response to the COVID-19 pandemic, which can be [found here](#).

Additional questions or concerns on utility account matters may be directed to the Revenue Services Division at 580.581.3308.
